Professional Expertise

Digital

Laser Cutter, CNC Router
Rhino, Photoshop, Illustrator, Microsoft Office, Mac & PC literate

Wood

Comprehensive knowledge of all current safety requirements
Able to maintain and repair all major equipment
Table Saw, Band Saw, Sander, Joiner & Planer, Mitre Saw, Drill Press.
Hand Tools, Steam Bending, Finishing, Rough and Fine Carpentry

Metals

Comprehensive knowledge of all current safety requirements
Able to maintain and repair all major equipment
Welding- Mig, Tig, Oxy-Acetylene, Stick, Plasma
Band Saw, Chop Saw, Roller, Shears, Grinders.

Foundry

Lost wax process using Ceramic Shell & Investment Casting
Bronze, Aluminum, Iron casting.
Chasing, Grinding, Polishing, Patina and Final Finishing.

Ceramics

Forming methods: Slab, coil, throwing, pinch.

Firing methods: Reduction, electric, salt, soda, raku, wood, pit, high and low fire.
Extensive experience with glaze and clay formulation, extruders, slip casting
Kiln building, facility maintenance.

Mold Making

Mold materials: Silicone, latex, alginate, plaster, cardboard.
Casting materials: Urethane and Polyester resins, polyurethane foam, fiberglass, wax, plaster.

Other

Paper Making
Lithography: Stone and plate.
Foam and Plaster Carving
Neon design, bending, pumping.
Glass blowing, forming and casting.
